Sponsor a Tree

Norcross Tree Preservation Board

In order to enhance public awareness of the unique trees in the city of Norcross the Tree Preservation Board has published a new Tree Walk Brochure. This brochure guides you on a half-mile walk through the Historic District, highlighting some of the tree species found throughout Georgia.

A marker similar in quality to a plaque will provide information on the trees spotlighted in the brochure. The cost of the plaques will be \$250.00 each. That includes the printing cost of the 108 letters including the common and botanical name of the tree as well as sponsor information.

If you would like to be a part of this historic tour and sponsor a tree in honor or in memory of that special person or persons in your life, please fill out the information below and return it to the Community Development Department at

Norcross Community Development Department
65 Lawrenceville Street
Norcross, GA 30071

You may also go to our web site www.norcrossga.net. The applications will be numbered as they are received and the tree selection for a plaque will be based on a first come first choice basis. After you have confirmation by email or telephone that the tree you have selected is available you will have seven (7) days to pay the \$250.00 (make checks payable to the City of Norcross) or the tree will be placed back on the list as available. We are making this offer to the residents of Norcross first and after August 1, 2010, we will open the sponsorship up to businesses in the city.

Name _____ Email Address _____
Address _____ Telephone Number _____
_____ Name of Tree _____

Thank you for doing your part to make Norcross a Place to Imagine!!!
