Dear Ms. Dixon:

Per the City's request, Penn Credit Corporation has ceased all collection activity on the City's storm water accounts. City residents will be instructed that their account is not active on our system if a resident should place an inbound call to our office. At no time were any of the citizens from this file credit reported.

If you need to discuss this in greater detail please feel free to contact me anytime at either my office or cell number that I provided in our earlier phone conversation.

Respectfully,

Bruce Hower
Vice President of Sales and Client Service
