Project Description:

Replace carpet in all areas at City Hall with commercial quality carpet tiles.

ONLY TO DO POLICE DEPARTMENT AREA

Project Justification:

The Department of Public Works, Utilities & Parks has diligently maintained the City Hall carpeted areas for over 13 years. The life of the carpet has run its course and is in need of replacement. The carpet is showing significant wear in high traffic areas and has become resistant to carpet steam cleaning maintenance. Carpet tiles are suggested for replacement due to easy maintenance and replacement of tiles in case of accidents as well as higher longevity due to easy replacement of small areas.

Project Description:

Locator Device using transmitter and receiver with ring clamp.

Project Justification:

The locator device is intended for use in identifying underground utilities around work areas where excavation will take place. The locator device will assist employees in locating and identifying where utilities are located giving excavators a choice to avoid the area or expose cable if they must dig in close proximity.

Project Description:

Replacement of Police Department Communications Base Radio System and related computer software.

Project Justification:

The present police base station and related communications/computer equipment are nearing ten years of age. The equipment is no longer manufactured by Motorola and service will be tapering off due to a lack of parts. The present system has failed recently on several occasions because of the age of the system. Additionally, as Gwinnett County expands into their new system, our present system will become incompatible with theirs.

Project Description:

The Norcross Police Department presently utilizes an Intoxilyser 5000 which is being phased out as of 2015. The evidence obtained in DUI cases using this machine will no longer be admissable in court. The new Intoxilyser 9000 is the machine which is certified by the GBI Department of Forensic Sciences to replace the model 5000.

Project Justification:

The present machine will no longer be certified for use in collecting evidence in DUI cases. The new machine is the only machine which will be certified for use in such instances.
