Concept Plan Checklist

1. An application shall be accompanied by a concept plan if any new construction or alteration of the site is proposed.
2. A concept plan may be prepared by a professional engineer, a registered land surveyor, a landscape architect, a land planner or any other person familiar with land development.
3. The concept plan shall be drawn on a boundary survey of the property. The boundary survey shall have been prepared by a Georgia registered land surveyor and meet the requirements of the State of Georgia for such a map or plat under O.C.G.A. 15-6-67(b).

The concept plan shall show the following:

1. Zoning district classification of the subject property and all adjacent properties, and zoning district boundaries if they cross the property.
2. Man-made features within and adjacent to the property, including existing and future right-of way of streets, pavement width and street names; political boundary lines; and other significant information such as location of bridges, utility lines, existing buildings to remain, and other features as appropriate to the nature of the request.
3. Natural features, such as the 100-year flood plain, and protected wetlands and stream buffers required under the Buffers, Landscaping and Tree Conservation Article of this Ordinance.
4. Proposed use of the property.

The proposed project layout including:

1. For residential subdivisions, and office or industrial parks, approximate lot lines and street right-of-way lines, along with the front building setback line on each lot.
2. For multi-family and nonresidential development projects, the approximate outline and location of all buildings, and the location of all minimum building setback lines, outdoor storage areas, dumpsters, zoning buffers, parking areas, loading stations, zoning buffers, stormwater detention facilities, and driveways, entrances and exits.
3. Name and address of the property owner.
4. Name, address, and telephone number of the applicant (if different than the owner).
5. Date of concept plan drawing, and revision dates, as appropriate.
6. Location (Land District and Land Lot) and size of the property in acres (or in square feet if less than an acre).
7. Location sketch of the property in relation to the surrounding area with regard to well-known landmarks such as arterial streets or railroads. Sketches may be drawn in freehand and at a scale sufficient to show clearly the information required, but not less than 1 inch equal to 2,000 feet. US Geological Survey maps may be used as a reference guide for the location concept.
8. A statement as to the source of domestic water supply.
9. A statement as to the provision for sanitary sewage disposal.
10. The approximate location of proposed storm water detention facilities.
11. Such additional information as may be useful to permit an understanding of the proposed use and development of the property.

Criteria and Standards for Considering a Rezoning

The Mayor and City Council find that the following standards are relevant in balancing the interest in promoting the public health, safety, morality, or general welfare against the right to the unrestricted use of property and shall govern the exercise of zoning power. Please address these criteria to the best of your ability. You may use a separate sheet if necessary.

- 1) Whether the zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property;
- 2) Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property;
- 3) Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned;
- 4) Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools;
- 5) Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan; and
- 6) Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.
