If yes, please explain: _____

MATERIALS:

Per section 307-6.1 (c), "At a minimum, doors, lighting fixtures, plumbing fixtures, working appliances, hardwood flooring, cabinets, windows and countertops, wall studs, brick and stone must be sold, donated, recycled or reused." Or, applicant must salvage material as determined by community development staff based on pre-deconstruction inspection.

The following materials will be sold, donated, recycled, or reused: _____

I understand that this application must be reviewed and approved through a site inspection with Community Development staff prior to the issuance of a permit to demolish.

I understand that all documentation (e.g. receipts) for materials removed from the structure must be maintained throughout the deconstruction project and copies must be submitted to the Community Development Department in order to close the demolition permit at the end of the project.

I hereby certify that the site will be posted with signage provided by the Community Development Department beginning on the first active day of deconstruction and will remain in place throughout the course of deconstruction (Sec. 307-6, e, 1-4).
