

PARKS

Come romp, play or just relax in the city's beautiful parks set among winding sidewalks, gorgeous landscapes and spectacular trees—including the towering American elm in Betty Mauldin Park—the largest American elm in the state of Georgia that is over 100 years old. Children will also find summertime delight with the interactive splash pad at Lillian Webb Park.

For information on park facility reservations, please contact 678-421-2010 or 678-421-2069
